ARCHITECT **DAVID MANN** HAS DESIGNED EVERYTHING IN THE LIVING ROOM, EVEN THE TRAY ON THE TABLE. HE HAS BUILT BOOKSHELVES INTO THE WINDOWS AND HE'S HIDDEN THE RADIATORS BEHIND SLIDING WOODEN PANELS.

NEW YORK **APT**

AMERICAN ARCHITECT DAVID MANN'S VARIOUS PROJECTS AND ASSIGNMENTS MAKE HIM A HARD MAN TO GET HOLD OF; HE SIMPLY RICOCHETS AROUND THE GLOBE. HOWEVER, THIS DIDN'T PREVENT HIM FROM DESIGNING THIS MAGNIFICENT NEW YORK APARTMENT ON MANHATTAN.

INTERVIEW KATINKA KANT PHOTO ÅKE E:SON LINDMAN

ALL THE EQUIPMENT IS FROM GUGGENAU. THE LONG KITCHEN COUNTER TURNS INTO A SUSHI BAR WITH A MAGNIFICENT VIEW OF MANHATTAN. THE RICE PAPER LAMP THAT LOOKS LIKE A SUGAR LUMP IS FROM AKARI.

RIGHT: DESPITE THE BUNCH OF BANANAS ON THE COUNTER, THERE ARE NO MONKEYS IN THIS HOME. THE KITCHEN IS A VERY SCANDINAVIAN BLONDE.
LEFT: EVEN THE BOWL ON THE SUSHI BAR WAS DESIGNED BY DAVID MANN. THE BAR CHAIRS, HOWEVER, ARE FROM ITALIAN FIRM CORGIAN. THE HOME-OFFICE'S DESK AND SHELVES ARE HIDDEN BEHIND THE WHITE CURTAIN.

IN THE BEDROOM, WHERE MOST AMERICANS KEEP THEIR TV, DAVID MANN HAS BUILT IT INTO THE WARDROBE. THE WALL IS MIRRORED OVER THE MAKE-UP TABLE WITH THE STYLISH LITTLE STOOL.
